"Combining The Terms Rx, Cannabis & Consumer Protection"

Taxation of RX Cannabis Products

Problem:

Currently there is a question as to whether RX Cannabis is taxable, whether it be at the business or user level.

Solution:

Enact law that states RX Cannabis is not taxable.

Possible Support:

- Consumers
- Dr.'s
- Pharmaceutical
- NORMAL
- Law Enforcement

Possible Opposition:

- Consumers
- Dr.'s
- Pharmaceutical
- NORMAL
- Law Enforcement
- Patients

Arguments In Support:

1) All prescription drugs are not taxed and this treats RX Cannabis like all other prescription drugs.

Arguments In Opposition:

1) None Anticipated

Language: No - but the following concept should be used:

"RX Cannabis products, purchased by those with prescriptions, are not taxable as a consumer commodity."
